Description of fiscal impact: There is no fiscal impact to the bill related to the submission to the electorate. However, if the Constitutional amendment were to pass, the impact would likely be in the billions of dollars but cannot be reasonably determined.

FISCAL ANALYSIS

- Health care costs in Montana in 2004 were estimated to be at least \$4.6 billion – an average cost per person of \$4,963. The potential cost to the general fund would likely be in the billions of dollars.
